Around
the Square

The strong wind that came to Sierra Madre last Monday played a variety of pranks that meant extra work for some and more leisure time for others, especially when it caused an electric power shut-off in the downtown section west of Baldwin during morning business hours.

Among those who became suddenly aware of the importance of electricity in their occupations were:

Rudolph Hartman, whose pharmacy has an electric cash register. He found it difficult to do business when the register refused to budge.

At the Royal Fountain Grill, milkshakes and malts had to be shaken by hand.

The women at the Richley Tea Company found themselves with plenty of time for coffee and window shopping.

Attorney Noren Eaton said the power shortage was a good excuse for not working early Monday morning, because his transcriber, which he thought had blown a fuse, wouldn't operate. He learned, as a result, that he doesn't know where the fuse box is.

Jeweler Byron Hopper stopped in the News office next door to say he was accustomed to working while the radio was on; with no music flooding the store he found it almost impossible to get down to business.

In the News office, all machinery in the back room was at a standstill; no cutting, no punching, no typesetting, no printing. People in the front room complained because their typewriters were not electric; said they would like to have a few allis the same as everybody else.

They still found time, however, to grope through the dark to the windows, where they noticed that the weather vane atop Pickett's Service Station is purely for ornamental purposes. It remained true to one direction, firm as a rock, throughout the gusty blowing.

Last observations — but not least: What about all those who had just cleaned their yards the day before? One of these, a young man who had spent his entire Sunday helping his folks at outdoor chores, stood outside the News, holding his head and moaning — like the wind itself.

TRUSTEES ELECTION

The annual City School trustees election occurs tomorrow, with Howell White Jr., incumbent, seeking reelection as a member of the board for a term of three years. The polling place is City School. Others on the board are Dr. Milton W. Valois and Mrs. Stanley Coutant.

Youth Versus Maturity Makes
Close Race In Queen Contest

Youth leads in the queen contest for the Community Fair, for the benefit of the Swimming Pool Fund June 10-14, but two representatives of the Maturity Set are still very much in the race.

In the first quarter of the four-week contest, Lila Blumer, 16-year-old candidate of the Field District P-TA, and youngest contestant, is high scorer. Second is Mrs. Florence Neilson, 54, candidate of the Sierra Madre City School. Mrs. Leila Embree, grandmother and Gold Star Mother, representing the combined VFW post and Sierra Madre Civic Club, is third.

Five other candidates trailed at the first check-in date, Friday night at City Hall, but two of these are late starters, representing the Toastmasters Club of Aerjet, Azusa, and Sierra Madre's Jewish Community Center.

The second check-in date tomorrow evening becomes a significant milestone in the Queen Contest, as the "dark horses" start their challenge.

Three known candidates, nominated by the East Pasadena Lions Club, are in an elimination contest, high scorer to be the final entrant of the organization. This group and its final choice, are one of the foremost contenders for the prize.

Official positions of all reported candidates follows: Lila Blumer, Field Dist. P-TA, 2250 points; Mrs. Florence Neilson, City School, 1520; Mrs.

THERE WILL BE MANY MORE volunteer Red Cross nurses and assistants than those shown in the picture to serve blood donors who visit the Bloodmobile Unit at the Woman's Clubhouse next Wednesday, from 3 to 7 p.m., but these eight experienced women are those who could be grouped at a moment's notice to help publicize the event that is so important in the nation's program for collecting blood plasma and gamma globulin. The first is of help to soldier and citizen alike, and the latter is a new weapon against paralysis from polio. In the back row, left to right, are: Mrs. John Conzelman, Mrs. James Simpson, Mrs. Albert Barkman, and Mrs. Ralph Jones. In front: Mrs. James Moore, Mrs. Sewall Clark, Mrs. Milo Murray, and Mrs. Jerry Fairfield. They'll be looking for you!

Annual Meet
Of History
Group May 16

The 22nd annual meeting of the Sierra Madre Historical Society will be held at the home of Miss Martha Pritchard, 121 E. Alegria, at 2 p.m., Saturday, May 16.

C. W. Jones, the president of the Society, announced the program as follows:

Raymond D. Andrews and George Norris will give short sketches relating to early Sierra Madre; Historian Maybelle Caley Barker will read a paper — "Sierra Madre, the real birthplace of Movie Land in California"; Secretary Coners Twy-cross will show pictures of "Some people you have known down through the years"; Anita Carter Gregory will give "Scraps from My Fathers Scrap-Book" and Lottie Humphries Elwood will tell of early plays in the old Town Hall.

The program will be followed by light refreshments and visiting with old-time friends. A cordial invitation is extended to the Community to attend the meeting.

The Society welcomes gifts of pictures taken in Sierra Madre years ago. They hope to have a Historical Room in the new library where meetings may be held and pictures and valuable records kept. The money received from dues is being saved for the purpose of furnishing the Historical Room.

Registration
For Nursery
School Opens

Registration for enrollment in the summer session of the Community Nursery School has been announced by Mrs. Marjorie Green, school director.

Mrs. Gerald Marugg Jr., president of the Nursery School Ass'n, is now urging parents who are interested in entering their children in the summer nursery classes to register before June.

The summer session begins at the close of the public school year in mid-June and is extended until the middle of August. Because of the necessity of maintaining steady enrollment, children cannot be accepted for the summer period only. The purpose of the May enrollment is to accommodate parents who wish to start their children in June for the full school year.

Parents who intend to start their children in the fall term beginning in September may register as late as August 1.

Further information may be obtained by calling the Nursery School from 10 a.m. to noon, and 2 p.m. to 4.

Plans Made Here For Second
Visit By Bloodmobile May 20LIONS TO ELECT
OFFICERS TONIGHT

The Sierra Madre Lions Club will hold its annual election of officers at 7:15 o'clock tonight at the Woman's Club. Because the election is predicted to be a lively affair, no other program has been planned for the evening.

Last week Art Ritterrath gave an informative talk and demonstration of prosthetic attachments for the use of amputees.

Many Lions, as well as other residents of Sierra Madre, were surprised to learn that this town probably leads the world in the development and production of artificial limbs and special attachments for use on various extremities where amputation has taken place.

Roosevelt's
Talk Believed
Far Reaching

There will be much more than local interest in the talk which James Roosevelt will make to the Sierra Madre Democratic Club in City Hall Monday evening, according to Lee Shippey, prominent writer and local club member.

Shippey believes Roosevelt may give the first evaluation of current problems by an important Californian in the Democratic Party since the change of administrations.

Although no subject has been announced, it is believed

The second visit of the Red Cross Bloodmobile this year will be at the Woman's Clubhouse Wednesday, May 20, from 3 to 7 p.m.

Plans for the occasion were discussed by Mrs. Ralph Jones, blood program chairman, and her committee at a recent meeting.

Miss Barbara Crawford, field representative of Blood Program, L. A. County, reported that more and more blood is needed for the Gamma Globulin program.

Tuesday morning, May 12, volunteer solicitors will canvas the business men and women of the town. This is the first of three plans to cover the business section.

Mrs. Paul L. Burton will again be recruiting chairman. Her committee will handle the hundreds of telephone calls to past donors.

The canteen chairman, Mrs. Victor H. Woehler, and her committee will plan and serve dinner to an estimated 40 people of Bloodmobile and Blood Program staffs and their volunteers on the evening of May 20. They will also be in charge of the juice and rolls served to the blood donors.

Free transportation and baby sitters will be available.

Sierra Madreans are asked to telephone CU. 5-0745 to make appointments for giving blood.

ANNIVERSARY CELEBRATED

Rudolph R. Hartman served refreshments to well-wishers, whom he estimated to number "from 400 to 500," last Saturday at his pharmacy, 29 N. Baldwin, in honor of the store's 43d anniversary.

At one time the water superintendent here, Swanson spent 25 years with the water department in varying capacities and was last employed by Hawks Engineering. His last residence here was at 163 San Gabriel Ct. He was 62.

He is survived by his wife, Robertina D. Swanson; three daughters, Mrs. Gloria Burrows of Sierra Madre, Mrs. Marguerite M. Hatch of Pasadena, and Mrs. Vera M. Gaff; two sisters, Mrs. Mary Simpson, Santa Barbara, and Mrs. Alice James, Australia; and six grandchildren.

April Permits
To Build Add
To \$100,225

The office of W. R. Lees, building inspector, reports that building permits granted in Sierra Madre during the month of April amounted to \$100,225, as compared to \$196,480 in April, 1952.

The total so far for 1953 is \$383,838. Last year at this time the four monthly totals added up to \$387,856.

In April this year permits included seven building units amounting to a sum total of \$82,000. Listings are as follows:

Mrs. Jean Nemerson, 265 Ramona, granted a permit of \$100 to re-roof a porch at the same address; Paul E. Carlson, 2282 White Ave., Pasadena, \$8000 to erect a dwelling and garage at 610 E. Sierra Madre Blvd.; E. G. Hall, 325 Camillo St., \$4000 to add three rooms;

First Baptist Church, 49 S. Baldwin, \$250 to alter a building; J. A. Meursing, 440 Foot-hill Ave., \$2500 to add two bedrooms; \$400 granted to a tourist dwelling, no name, 425 Yucca Trail; L. B. City Councilmen Join Mayor
In Warning Against Hazards

At city council meeting Tuesday evening, Mayor Henry F. Korsmeier gave warning to the city that the possibility of disaster by fire in this area is greater than most people realize.

Kiwanians To
Assist Local
Paper Drive

The Sierra Madre Kiwanis Club is assisting with the local Paper Drive this Saturday, when curb pick-ups will be made in the Coronet Homes district.

Scrap metal and magazines will no longer be accepted in the drive that is being accomplished through voluntary workers who devote their Saturday afternoon time to increasing the Sierra Madre Swimming Pool Fund.

Magazines and scrap metal, including the parts of old automobiles that have been left on the "Paper Lot" east of the Woman's Club, have to be removed, with the expense deducted from the campaign's profits, according to Sam Simpson, member of the Paper Drive Committee.

Because the newspapers must be tied in bundles no more than 10 inches high, William R. Mackie, 276 E. Grandview, a newspaper distributor, has been donating heavy string to be issued to those who lack the proper cord with which to tie their old newspapers.

Hal Stein, operator of the local theater, has supplied more than 100 free movie tickets to youngsters who have helped in the Saturday afternoon paper collections.

Members of the VFW assisted last week, and the Lions are scheduled for the assist one week from this Saturday in the area north of Sierra Madre Blvd., from Baldwin west to Michillinda — after the Kiwanians show what they can do May 16.

All volunteers are asked to meet at noon on the lot just east of the Woman's Club, where people may continue to leave their stacks of old newspapers.

P-TA Meeting With Orchestra
Concert Marks Season's End

The final meeting of parents and teachers for the season, combined with the third annual concert of the school orchestra, will be held next Thursday evening, May 21, in the City School auditorium, beginning at 7:45 o'clock.

The event will mark the concluding of a successful year for the local P-TA under the leadership of Mr. and Mrs. Tom Willis, co-presidents. New officers will be installed, and the orchestral program will be under the direction of Mrs. Matilda Smith.

The new officers are as follows:

Mr. and Mrs. Arthur Bohart, presidents; Mr. and Mrs. Norman McDonald, first vice-presidents; Mr. and Mrs. L. A. Mofet, second vice-presidents; Mr. and Mrs. Roland Rountree, third vice-presidents; Mr. and Mrs. Frederick Theile, recording secretaries; Mr. and Mrs. James Winslow, corresponding secretaries; Mr. and Mrs. George Feichtman, treasurers; Ray Obazawa, auditor; Mr. and Mrs. Tom Willis, parliamentarians; and Mrs. Matilda B. Laughlin, historian.

For the musical portion of the program, children in grades from third through sixth have been rehearsing marches and waltzes, and other orchestral numbers. Soloists will be William Galloway, on trumpet; Paul Jacobs, flute; Stanley Coutant, saxophone; Linda Reavis and Doris Hoeneman, piano solos, followed by a trumpet duet played by Danny McDonald and Lee Fish.

Hostesses for the P-TA evening next Thursday will be first grade and kindergarten teachers and parents, according to Mrs. Ray Obazawa, program chairman.

Shepherd's letter referred to the recent fire in the Monrovia hills, at which time members of the Rescue Crew, trying to assist, discovered that a Sierra Madre pumper truck had moved from its previous station and its whereabouts was unknown.

Referring to the same emergency, Mayor Korsmeier described a letter from Col. C. R. Gildart, associate director of Civil Defense here, in which it was said that only one auxiliary fireman was available in Sierra Madre for assistance in fighting the widespread fire.

All councilmen agreed that the number of auxiliary firemen, those who can be called upon to assist the Volunteer

Postmen Here
Collect \$490
In Campaign

Ten Sierra Madre postmen, walking their routes last Thursday evening for the second time that day, collected \$372.21 from local homes to be donated to the "United Cerebral Palsy Campaign," according to Sierra Madre Postmaster Eddie Robertson.

J. Porter Byrne, president of the local branch 2474 in the National Ass'n of Letter Carriers, reports that \$117.82 has been added to the fund since then by residents who wished to give but were not at home the night of the "Postmen's Walk." This has brought collections to a total of \$490.03.

After the Thursday night collections were made, Letter Carrier Jack Butler was escorted to a television show in Hollywood by a member of the Sierra Madre Police Department, Morris E. Farr, to help publicize the event.

SIERRA MADRE SHARES the services of the Civil Defense truck shown above accompanied by Police Chief Gordon G. McMillan (right), Fire Chief Jim Heasley (center), and Ralph B. Wright, assistant regional CD coordinator. Specially designed by the California Office of Civil Defense, it is a 20,000 pound piece of disaster-fighting machinery named "Clarity Jane." Although the spelling of the name may seem a mistake, there's no mistake in the statement that the truck is equipped to give fast service in almost any kind of emergency. Able to substitute as an ambulance or fire truck, it carries rescue tools such as power saws, axes, wrecking bars, chain hoist, first-aid kits, cutting machinery, rope, pumps, protective clothing, jacks, and winches. Built to save lives, it is stationed in Arcadia, but can be sent to Sierra Madre on the run.

IMMORTALITY AND MORTALITY CONTRASTED

The immortal nature of man, overcoming bondage to materiality, will be considered in the Sunday Lesson - Sermon on "Mortals and Immortals" in all Christian Science churches.

Paul's declaration to the Romans (8:6) is the Golden Text: "To be carnally minded is death; but to be spiritually minded is life and peace."

In a Scriptural passage the prophet Isaiah writes (2:5, 25:7, 26:3): "Let us walk in the light of the Lord . . . And He will

destroy in this mountain the face of the covering cast over all people. . . Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee."

"The Science of being reveals man and immortality as based on Spirit," declares Mary Baker Eddy in "Science and Health with Key to the Scriptures." Again she says, "To be immortal, we must forsake the mortal sense of things, turn from the lie of false belief to Truth, and gather the facts of being from the divine Mind." (pp. 191, 370)

Local Baha'is Return From Jubilee Meeting

Five Sierra Madreans returned this week from the Baha'i Jubilee celebration in Chicago and Wilmette, Ill. They are Mr. and Mrs. Alvin T. Johnson, 390 W. Carter; Mrs. Zeah Moore, 1957 N. Mountain Trail; and Mr. and Mrs. F. Joseph McCormack, 823 Canyon Crest Dr.

A highlight of the jubilee was the dedication of the \$2,613,012 Baha'i House of Worship, located on the shores of Lake Michigan and completed after nearly half a century of planning and construction.

DUAL SAFETY

"Can we, while exhibiting our own political allegiances, walk together with others whose party preferences are different? Do we tend to exclude one whose loyalty is directed in other political channels? Our willingness to overcome vindictiveness, to retain friendship, and to walk together divergently, demonstrates the attitude which makes America safe for individualism on the one hand and which characterizes an enlarged unity on the other."—Dr. J. Richard Sneed, First Methodist Church, Los Angeles.

SCOVILLE SISTERS TO PLAY AT BETHANY SUNDAY; REV. LEWIS SPEAKS WEDNESDAY

Rev. William Lewis will be guest speaker at the midweek meeting of Bethany Church next Wednesday, May 20. Mr. Lewis is a graduate of Fuller Theological Seminary in Pasadena. Prior to his study at the Seminary he was in evangelistic work in the Kentucky mountains. He will demonstrate some unusual musical ways to preach the gospel and to appeal to children, and also will tell a little of his work in Kentucky where he hopes to return at the end of the summer. At the close of the meeting he will bring a short devotional message.

This Sunday, May 17, Dr. George Ladd will again be speaking in the morning and evening services. Marileen and Marjorie Scoville will be playing the Marimba and Vibra-Harp in the morning. In the evening Dr. Ladd will continue his series on the Kingdom of God by asking the question, "What Kingdom Did Jesus Bring?"

Neighbors' Children To Be Discussed

"The Neighbors' Children and Yours" will be the topic of the evening when Dr. Sybil Richardson, curriculum assistant, Los Angeles County Scholastic, addresses the monthly meeting of the Sierra Madre Community Nursery School Ass'n next Tuesday at 8 p.m. at the Nursery School, 701 E. Sierra Madre Blvd.

Dr. Richardson will discuss the responsibility in the neighborhood, the differences in standards of living and how to cope with them, the contribution the family can make to the social well-being of the neighborhood group, and other situations arising from neighborhood living.

Dr. Richardson is a former resident of Sierra Madre. She has previously been a guest speaker at an association meeting. Her method of handling group discussion and helping parents to work out their own problems has brought many requests for her return.

Since neighborhood relationships affect everyone who is interested in his community's well-being, the public is invited to attend. Following the meeting, refreshments will be served by Mrs. Delbert Haskell and her committee.

The monthly Fathers' Workday, Sunday, May 24, from 9 a.m. to 1 p.m., will be devoted to projects in the youngest group.

Poulter, who was 70, is survived by his wife, Lenora, and son, Robert, both of San Diego, along with two sisters and two brothers in Illinois.

Funeral services were in San Diego May 8, at which time Kenneth R. Ogg of Sierra Madre served as one of the pallbearers.

NO MAGAZINES, PLEASE!

Some good-intentioned citizens are creating an expense for the Pool Fund by depositing magazines on the "paper lot" when there is no one present to prevent it. There is no market for magazines. Those deposited at this time are torn apart by children and spread over the lot before they may be transported to a dump.

... heads auxiliary

Mr. and Mrs. Hicks Visiting His Mother Soon In Alabama

Mr. and Mrs. Allen S. Hicks 395 Auburn, who recently attended military funeral services in Berkeley for Mr. Hicks' brother, Commander W. A. Hicks, U.S.N., retired, are visiting in Dadeville, Ala., with Mr. Hicks' 85-year-old mother.

Mrs. Hicks left for Alabama by plane earlier this week and was to be joined in Dadeville by her husband who was attending an oil show in Tulsa, Okla. He is an engineer with the Hydril Corporation.

The funeral services for Mr. Hicks' brother took place in the chapel at San Bruno military cemetery and interment was there. Feting their last respects to the retired naval officer were many of his friends from all navy ranks and all walks of life, from Admiral Nimitz to the family's Japanese garden.

Comdr. Hicks was graduated from Annapolis in 1915 and many of his classmates, now high in the naval command, attended the funeral. Admiral Rogers, chief of the San Francisco area, provided his car for the late commander's widow and daughter, and Mr. and Mrs. Hicks from Sierra Madre.

Comdr. Hicks was a brother of DeWitt Hicks, a West Point graduate, who died two years ago. DeWitt Hicks was a classmate of Col. C. R. Gildart, Col. O. R. Marriott and Col. Charles E. Morrison, all of Sierra Madre.

The Mr. Hicks living in Sierra Madre, with the death of his brother, is now the last male in the family, descendants of Peter Stuyvesant. A nephew, Sam Hicks, only male issue of this generation, was killed in a bomber over Germany.

Next-To-Youngest Set Catches Civic Spirit

The spirit of local civic cooperation has reached the "next to youngest" set, with the promoting of a new business enterprise at the intersection of Carter and N. Baldwin.

Devoted to the raising of additional proceeds for the Sierra Madre Swimming Pool Fund, the four proprietors—Sandy Ohs, who is 8 years old, Marion Black, same age, Pamela Oiler, 9, and Karen Owen, 11—are selling lemonade during hot Saturday daylight hours.

Having heard their elders talk of the various projects devoted to building a new swimming pool, including a students' recent magic show performing to standing room only, the young promoters decided that the "Great Cause" should not be handicapped by age limitations.

Since their commercial debut, they've increased their stock by adding "orangeade, and stuff!"

Arts and Letters Society Meets Monday

The next meeting of the Pasadena Chapter of the National Society of Arts and Letters, to which Sierra Madreans belong, will be held Monday noon in the Chinese Room of the Woman's Club, 160 N. Oakland, Pasadena.

Sierra Madre members are Mrs. Mabel Grill, Mrs. Ella Nourse, and Mrs. Alice Sedgman.

After the luncheon, the program will include the annual election of officers, and a visit to the Mountain View Art Gallery to view the painting exhibit of Florence Tompkins, a member of the Society.

Millers Quartered in 'Interesting' Part Of Capitol; Monument By Elevator

Dr. J. Stadden Miller, Sierra Madre dentist, and Mrs. Miller left the West Indies and arrived in the Eastern United States in mid-April. They write below of their arrival in Florida at dog race time and in overcrowded Washington, D. C., at Cherry Blossom Time; of chatting with Congressman Hiestand and of hearing Senator Knowland and being proud of California.

"Chatted with Mrs. Woodruff in Hinshaw's office — we must know the same people in Sierra Madre and she knows most of them. Met Hiestand and walked the tunnel from the H of R office building to the floor of the House with him. Was favorably impressed by Mr. H.

Weather Not Monotonous

"Have had one beautiful day here in Washington — two of rain — one overcast — and one windy as all get out. The weather is NOT monotonous. Went down to the Union Station to see the concourse that will accommodate 50,000 troops. It will be the biggest darn thing we ever saw.

"Double cherry blossoms are beautiful — singles are gone — and dogwood in bloom is something to see. Didn't get up in time Sunday to watch Eisenhower go to church. Sunday should NOT come after Saturday night.

"And we didn't walk up the Washington monument. Or down, for that matter. Elevator is for elderly gents, and that's me.

The Camp Fire Girls met at the home of Mrs. Peter Farley, 3590 Cartwright, to make aprons for their Mother's Day gift. Each girl made up her own design for her apron and used either her mother's first name, the word mother, mom, mommy, or initials. Splatter paint was used with the help of a tooth brush. Those attending the meeting were Bonnie Leslie, Myrna Lambert, Sally Keller, Judy Mortenson, Dee Jay Cole, Vicki McClelland, Dru Shipman, Jill Irvine, and Marsha Campbell.

The Dad's Show at Eugene Fields School last week-end was very good and enjoyed by all. Everyone is looking forward to the Don Benito's Dad's

Residents Will Meet May 25 on Variance

Last week, Consolidated Engineering Corp. withdrew its application for a zone change on the property on Sierra Madre Villa. The withdrawal was made on the eve of a hearing before the Board of City Directors.

As an alternative, the company filed a request for a zone variance on eight acres immediately north of the plant. The hearing on this variance will be May 28 before the Zoning Board.

QUEEN CANDIDATE EXCELS IN SPORTS

Pretty Lila Blumer of 3770 Newhaven Road has been chosen as Fields P-TA Queen candidate for the Foothill Community Fair.

Daughter of Mr. and Mrs. John M. Blumer, Lila is in the eleventh grade at Pasadena City College where she is an active member of the Sailing Club and the Women's Athletic Association. She was formerly a student of Wilson Junior High and Hale Grammar school.

Sports are Lila's forte. Besides excelling in archery and speedball, thanks to spending most of her summers at her family's cottage on Balboa Island she is also proficient in both swimming and sailing.

As a descendant of an old Sierra Madre family, Miss Blumer has a colorful background. Her grandfather, John George Blumer, settled in Sierra Madre in 1876 as one of the earliest citizens of the town. He was responsible for the erection of the Sierra Madre library and for the inauguration of the Sierra Madre city streetcar lines. Miss Blumer's great aunt, Mrs. Elsie Hart, is a well-known citizen of Sierra Madre, as is her cousin, Mrs. Edith Dane, a teacher in and former president of the Sierra Madre Community Nursery School and ex-member of the City School Board.

Lila has two brothers, Bob, a student at Field school, and three-year old Frank.

Whether Queen candidate Lila becomes Queen Lila will be determined by the number of ticket votes she receives from now till June.

Mrs. Minnie B. Graves Funeral Held In Texas

Friends and neighbors of Mrs. Minnie B. Graves in Sierra Madre and Hastings Ranch were shocked and saddened to learn of her sudden death May 8 in Dallas, Tex.

Born in Macon, Ga., 70 years ago, Mrs. Graves moved to Texas as a child and lived there for 50 years before coming to California.

Mrs. Graves made her home with one of her daughters and son-in-law, Mr. and Mrs. A. L. Pruitt, 3810 Cartwright. Since moving to this area she has been very active in the Sierra Madre Woman's Club and the Sierra Madre Friendship Club. Mrs. Graves flew to Texas April 1 to visit two other daughters and their families. It was at the home of one of the daughters, Mrs. J. C. Fairchild, that Mrs. Graves suffered a stroke and died without regaining consciousness.

Mrs. Graves is survived by four children, Mrs. Pruitt, Mrs. Fairchild, Mrs. Lila Sprayberry of Temple, Tex., and Mr. Aubrey Graves of Washington, D. C.; two brothers, I. A. Mabry of San Antonio and J. A. Mabry of Temple, Tex.; eight grandchildren and one great-grandchild.

Mrs. Pruitt flew to Temple, Tex., where the funeral and interment were held last Monday.

Ninth Birthday Is Occasion For Dinner

Renee Koontz recently celebrated her ninth birthday at a dinner party in her home at 3660 Fairmeade Rd. Her parents are Dr. and Mrs. Richard Koontz.

The young lady planned her own party in every detail: a very formal dinner with the grown-up setting of white linen table cloth, china and crystal. Pink rosebuds and white daisies made up the pretty centerpiece. And to complete her part in the planning, Renee baked her own cake, a large and delicious angel food cake. "It really put my baking to shame," Mrs. Koontz says.

Guests for the party which began at 5 and lasted until 7:30 were: Pamela Mechler, Diana Goodell, Diane Wilson, Nancy Millikan, Nancy Bridges, Jackie Sanders, Leslie Veale, Rachelle Koontz, Karen Krivz from Duarte and Mrs. Clare L. Hoke, third grade teacher at Field School. Jeanne Gates was invited but illness prevented her attending.

Honorary Group Has First Alumnae Meeting

Two of our neighbors in the Ranch, Mrs. Rodney C. Carley and Mrs. Bruce J. Dumbacher, recently attended the first Southern California Alumnae meeting of Tokalon, an honorary organization at Fresno State college. The luncheon meeting was held on the Terrace of the Green Hotel and plans were made for the future growth and activities for the group.

Mrs. Doty Hostesses At Garden Club Meet

Mrs. Walter H. Doty, 3515 Landfair Road, was hostess for the Hastings Ranch Garden Club recently. The guest speaker for the group was a representative of a local chemical company who spoke on how to color cement in the patio. He showed slides which pictured examples of the use of color to simulate flagstone and other decorative materials used in beautifying the garden.

The meeting was held in the morning as an experiment; however the members agreed that the hour was not too satisfactory and voted to change the time to the afternoon at 1:00 o'clock with the hostesses serving a desert at the beginning of the meeting in the future.

Two new members recently accepted through vacancies occurring in the membership roll were introduced to the group: Mrs. Draper Jennings and Mrs. Richard Beattie.

The next meeting of the club will be held at the home of Mrs. Charles M. Coates, 3645 Hampton Road, on Tuesday, May 26, at which time the guest speaker will be Mr. Richard Palmer, County Farm Adviser. Mr. Palmer will speak on the subject: "Five Keys to Gardening."

"LET'S PUT LILA ON THE THRONE"

Mr. Robert Buttane, in charge of the Field P-TA Community Queen contest which resulted in Lila Blumer's being chosen candidate, today urged all Ranch residents to support their area contestant.

"Let's put LILA on the throne! With the number of residents we have in Hastings Ranch and Upper Hastings, we have a swell chance of coming up with the winner," he explained. "All that's needed is for each of us to buy our Community Fair vote tickets from Lila."

If

he probably would have reported the news of his wanderings to his home town newspaper (if it had had a paper) every day by telephone. The quantity of words telephoned by reporters each 24 hours from all corners of the globe in these modern times is beyond calculation.

And in private life, as well as journalistic life, Americans are the talk-in-gest people in the world. In the past six years telephones in this area have practically doubled, making the telephone more valuable because you can reach more people and more people can reach you. The demand for telephone service keeps growing and growing and, naturally, we are moving as fast as we can to give every person a telephone who wants one.

Roy Edwardses Move Away; Rent Home To Toronto Family

Roy Edwards, a Sierra Madre resident since 1907, and Mrs. Edwards, the former Signe Olsen, who was born here, have rented their home at 307 Mariposa Beach where they will occupy one of the three houses they own there. They have been at the Mariposa St. address for 40 years.

The new residents at that address are Mr. and Mrs. Ian Wakeman and their two young sons of Toronto, Canada.

Mr. and Mrs. Edwards were married in Sierra Madre and, until he retired two months ago, Mr. Edwards was with the Trop Laundry for 28 years. They have two sons and a daughter and seven grandchildren. One son, Roy O. Edwards, and his family, reside in Sierra Madre at 479 N. Auburn and the daughter, Mrs. Gerald Knight, and her family, also are residents here at Highland and Grove. The other son, William J. Edwards, lives in Pasadena.

Students Here To Hear Final Youth Concert

Many Sierra Madre students from City School will be among those to attend the fourth and final Youth Concert at Pasadena Civic Auditorium this Sunday.

The series, sponsored by three Pasadena organizations—the Junior League, the Civic Music Association, and City Schools—has been popular with students here and surrounding communities. Doors open at 2:45 p.m. and admission is free.

The program Sunday will feature the Evelyn LeMone Ballet, Earl Carls, 13-year-old violinist, and 125 sixth graders from Burbank School in Altadena, who will perform in costume the "Musical Travelog," under the direction of Mrs. Lillian Mohr Fox, supervisor of music, Pasadena City Schools.

BEST COLLEGIAN—Troy's Jack Davis is the swiftest collegiate high hurdler in the nation; ran second in Olympic games, and meets his conqueror, Harrison Dillard, in Coliseum Relays Friday night (May 15).

Scanning the Sports Scene

By BOB BROGGER

This week let's depart from our local Sports scene and venture into the exciting Coliseum Relays that are occurring tomorrow night.

Again in 1953 the Coliseum Relays will bring together the finest college relay teams in America plus an international assemblage of individual stars.

Since the inception of the Coliseum Relays in 1941 the Southern California Committee for the Olympic Games has presented an outstanding annual meet that has resulted in the setting of four world and six American records; that has been attended by more than 285,000 spectators during the past six years including the largest crowd ever to see a track and field meet in America—61,762 in 1948; and that has become a highlight of the athletes and fans of the nation.

All-expense paid air trips to Los Angeles plus the finest of hotel accommodations are just a part of the program set up for the athletes by the Relays Committee. Valuable awards are made to the first three finishers in each relay and individual event.

Entertainment is provided for all athletes and coaches during their stay in Los Angeles, plus a dinner on the evening before the Relays and the post-Relays party. Transportation is provided for those wishing to see the many points of interest in Southern California.

The first event will be the Pole vault, which will begin at 8 p.m.

Nine Olympic champions participated in the 1952 Relays. The high caliber of competition, the excellent track and weather conditions and the incentive of a large audience will undoubtedly again produce the amazing performances which

have been a part of every Coliseum Relays program in the past. Again it will be said that "the world's fastest relays are run at the Coliseum Relays."

Remember tomorrow night. The Los Angeles Memorial Coliseum, site of the 1932 Olympic Games.

Colbert Construction Draws Attention Here

Now in the final stages of construction, the house being built by Eugene Colbert at 225 S. Sunnyside, is receiving much out-of-town attention, as well as the local interest.

The house, designed and supervised by a former Sierra Madre boy, Malcolm C. Gerschler, now a general contractor in Pomona, is being tabbed for national publicity because of the use of new materials and the entirely new methods of construction Gerschler has developed.

The house has been color-styled by Janet Gerschler Chamlee, also once a Sierra Madrean, who will supervise the colors and details of similar houses her brother is to build in the Pomona Valley.

Four Concert Band Members Total 152 Years Experience

Four members of the Sierra Madre Concert Band, representing a total of 152 years of music, share a background of symphonies, dance bands, and municipal, circus, and Army orchestras.

George Goranson, bass drummer, contributes 57 years of experience, including a tour of the states directing a Masonic Band of 80 musicians.

H. Lloyd Wolfe, who has played several instruments for 30 years, spent six of them with a circus band. Only recently he acquired his comparatively rare euphonium, which he plays for the local group.

O. R. Gustafsson has been a member of state, municipal and printers' bands for 25 years, with trombone.

After 40 years of teaching and playing a number of instruments, A. D. Hoenshel is now far more proficient on the flute than he admits.

Under the direction of Miss Marie Oliva, the band is attracting fine musicians from other communities. Mr. and Mrs. Richard Paine recently enrolled from Glendale; Mrs. Paine on clarinet and her husband, E-flat saxophone. Jean

Baker, Monrovia resident, has also joined, playing trumpet. Band rehearsal is held every Wednesday evening from 7:30 to 10 in the Sierra Madre City School Auditorium. The group is now rehearsing for a series of summer concerts.

LETTER TO THE EDITOR

Editor, Sierra Madre News:

A few weeks ago your paper published an article regarding the national menace from house flies.

It seems to me that it would behoove us to attack our problem locally in every way possible, and who could do a better job of reaching our individual "swatter soldiers" than our local newspaper.

I know that some cities have gone to the trouble of fogging to allay the situation. It would be interesting to know whether or not the expense was warranted.

Another way we could all help would be to wash all tin cans, rid the town of chickens and get covered garbage trucks.

I believe this is a problem that everyone must attack from every angle if we are going to make any noticeable improvement. It is going to be difficult to maintain a high health level for our children with such an abundance of germ carriers flying rampant.

You've accomplished so many worthy things with your paper, and I do hope you'll think of this as a worthwhile drive.

Sincerely,

Mrs. E. P. Maurin Jr.

ED'S NOTE: We are one 100 per cent in favor of individuals such as Mrs. E. P. Maurin Jr. If each one of us had half the sense she has shown, the majority of flies in Sierra Madre would be wiped out, and the remaining few would die of loneliness. Trouble is, you can't leave it to somebody else to do the job. You can't pass a law against flies—at least not with any effectiveness, because flies are not concerned with legalities except that they operate by the laws of filth.

The only way to rid the community of their developing menace is through the combined efforts of individuals. Are you ready?

This Is News?

Here we go, kids! Ever heard of a "Queen Contest?" That makes two of us. Sometimes we think the whole world is turning in a "Queen Contest"—for this, that, and sixteen jillion other things. But here, s' help us, is the latest:

It's for the "Community Breakfast," June 13—benefit of the Sierra Madre Swimming Pool Fund. And guess what! This time the captain of the team that sells the most tickets to the breakfast will be Sierra Madre's "Junior Queen."

Why junior? Because Susan Wilson, Linette Geane Holt, Sally Myers, Patricia Simpson, Tessa Sue Johnson, and Susan Yarnell, who are captains of the boy-and-girl ticket selling teams, are between the ages of 10 and 15 inclusively.

So this time the contest is for teen-agers exclusively. Fundamentally, it's still for the benefit of the Swimming Pool Fund, but because the younger set is bound to enjoy the new pool as much as anybody—possibly more—the "Junior Queen" contest may develop into as hot a competition as any.

So far there has been no announcement of awards, but there are bound to be some. Maybe a complete wardrobe by Mlle. de Maupin (of Topeka, Kans.), a free fishing trip on the Banks of the Wabash, or a round-trip ticket to the moon—come first Rocket Day.

But seriously, we're all for the swimming pool idea, and we're proud of all the guys and gals who are helping to promote it. It's just that we had to find a way to let you know that there is another queen contest—one that definitely is not of Wistaria, Community Fair, or Sheba.

FIRE FLAMES

The meeting had been called to order and because Charlie Brown was at home sick with a heavy cold, Joe Grippi took over the duties of Secretary. The evening had not been the same. There was something missing at drill. What was it? Everyone knew. Joe Swanson was absent and would never report for duty again.

We will miss his appearance at the station and his reliability at the radio of the police car, where he was dependable as he was at all assignments. The sudden death of Joe left all of us in a stupor. He had not complained of an illness. If he had an ache, he probably wouldn't have said anything about it anyway.

At any rate, Grippi proceeded with the roll call. When it came to the name of Joe Swanson—there was not an answer, but a delay long enough for all firemen present to stand with bowed heads in memory.

We will always remember Joe Swanson as a hard working fireman with the best interest of the department at heart. For years he was the organization's secretary and, with that responsibility, he added many more that were essential in keeping the department together. During his regime as Sierra Madre Water Superintendent, Street Superintendent, Purchasing agent and numerous other responsibilities, he still found time to keep all the records of the fire department

and look after the well being of the officers and men.

When he finally broke under the strain, he offered no apologies nor asked any favors, he just gave up the task and the City of Sierra Madre has not yet quite recovered from his absence.

Joe joined the fire department in the year 1927 and continued to be an active member at the time of his death. Because he felt that responsibility was better for the youth of the organization, he resigned as the department's secretary to a younger man. His help in the past years in keeping the firemen together and the organization in efficient operation will be greatly missed.

Joe never refused an assignment. His First Aid experience was of much value and encouragement to those who followed his footsteps. The boys will miss the "Scotchman".

Campfire

The San Gabriel Valley Campfire leaders are having their annual luncheon at the home of Mrs. William Raymond, 3526 Lombardy Road, Pasadena, May 19, beginning at 11:30 a.m.

The luncheon program will feature a fashion show around Mrs. Raymond's swimming pool, with Campfire leaders acting as models.

Two Sierra Madre leaders will be among those who will display variety apparel designed by Faye's of Alhambra. They are Mrs. Marcus Woodward, 99 Suffolk, and Mrs. William Harris, 645 Auburn.

Davis Serves Aboard 'Nicholas' Off Korea

Joseph L. Davis, radar seaman, USN, who left Sierra Madre three years ago in August to join the Navy, is now aboard the destroyer escort USS Nicholas on its third tour in the Far East.

The 21-year-old son of Mrs. Beulah M. Davis, 185 Grove St., Radar Seaman Davis is a native Sierra Madrean who attended City School, Wilson Junior High and Pasadena City College.

The "Nicholas" has been working in support of the United Nations' effort in Korea

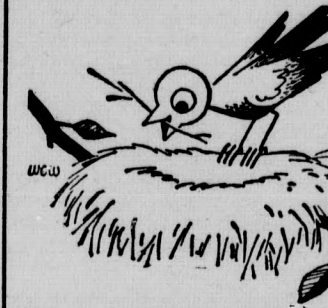

since the ship's recommissioning from the "Mothball Fleet" in February, 1951.

Davis, who plays trumpet and bass horn in the ship's band, has been ashore on liberty in Japan, Formosa, Okinawa, and China. Hong Kong, Davis reports, has been the most popular port of all.

His mother, who has been a telephone operator here for 11 years, says she hopes that he may return to Sierra Madre on leave in September.

ing Committee.

A meeting has been called by Mr. Robert Meserve, president of the Hastings Ranch Property Ass'n, for 8 p.m. Monday, May 25, in the Field School Cafeteria at which time residents of the area will meet and discuss the proposed zone variance. Representatives of the five property organizations are invited to attend this important meeting. "It is the general feeling of the property owners of this area that use of this property for purposes other than those for which it was originally zoned (multiple dwellings) should not be approved," Mr. Meserve says.

Hiestand Tries
New Bill For
Narcotic Law

Congressman Edgar W. Hiestand, 21st Congressional District of California, has introduced a new bill providing for the drastic stiffening of the penalties for those found guilty of importing, selling, buying, receiving or concealing or facilitating the transportation of narcotic drugs contrary to the Federal Law.

The penalties provide for imprisonment from two to five years for first offense, for 10 to 20 years for second offense, and the death penalty for third offense, unless the jury qualifies its verdict by adding there to "Without capital punishment," in which case the penalty shall be life imprisonment.

Selling narcotics to minors under 21 years gets the death penalty unless the jury similarly qualifies its verdict, in which case it shall be a sentence of imprisonment for life. Congressman Hiestand stated emphatically: "This narcotic trade, one of the most inexcusably horrible practices of mankind today, has simply got to stop so far as our country is concerned. I have given much study to this subject and am convinced that added funds for law enforcement are only part of the remedy. The penalties have got to be so severe that practically no one will take a chance on breaking the law."

CITY GIVEN
From page one

Firemen, should be increased. Ernie Smith, of the National Guards, offered help in this matter.

Later statements by Al Freeland, city water superintendent, strengthened the council's warning against fire when he emphasized the danger that exists through the early arrival of the dry season. The rain that usually is expected in January or February failed to come, he said, with the results that dry summer conditions now exist that may develop to a tinder-box degree.

Fire Chief Jim Heasley, who writes the "Fire Flames" column in the News, expressed the hope that the recent increase of small fires—such as the two last Monday afternoon at 2:50 and 4:30 o'clock—are not indicative of the "worst that is yet to come."

The council meeting was dedicated to the memory of the late Joe Swanson, who served as an executive of the street and water departments during his long years of city service here. Other subjects under discussion included a consideration of an employee wage and salary plan, during which Mayor Kormsmeier stated that balances in the city treasury had increased in the last five years, thus allowing a margin whereby studies are being made to adopt a new employment plan, beginning July 1.

The first reading of a new angle parking ordinance was made, to be followed by a second reading at the next council meeting May 26, after which time the new rule must be published before it becomes law 30 days later.

SCHOOL CANDIDATES

The Pasadena School District fact-finding committee will meet tonight at 7:30 o'clock at Altadena School, corner of Calaveras Ave. and El Molino in Altadena, to hear the issues discussed by 15 candidates for three officers of the Pasadena Board of Education in the election to be held June 5. The Pasadena School District includes Sierra Madre, Pasadena, Altadena, Flintridge, La Canada, and Temple City.

MENTAL STIMULUS

Propaganda can be of two kinds, honest which needs no flowery language as a prop or false and glamorous. If all the propaganda for the liquor traffic were of the honest unembellished sort, the liquor traffic would destroy itself. Like war it cannot thrive successfully on truth. Like war it destroys — never rebuilds.

NOT TOO SWEET, CHOCOLATE PRALINE
CAKE INVITES CLOSE ACQUAINTANCE

AS FAR BACK AS YOU CAN REMEMBER, hasn't traditional fare for friends been coffee and cake? And when it's a Chocolate Praline Cake like this one, rich and satisfying, and the coffee is as steaming and fragrant as you can make it, the time-honored combination is hard to beat.

CHOCOLATE PRALINE CAKE 2 teaspoons vanilla extract
4 eggs 2 cups sugar 4 squares (4 oz.) unsweetened chocolate
1 cup melted shortening

2 cups sifted enriched flour
1 teaspoon baking soda
1 cup milk
Beat eggs; add sugar; blend.
Add melted shortening and vanilla extract. Melt chocolate over hot water; add. Mix and sift flour and baking soda; add alternately with milk to chocolate mixture. Bake in 2 greased and floured 9-inch layer cake pans in moderate oven, 350° F., 35 to 40 minutes.

PRALINE FROSTING
1 cup sugar
1 cup brown sugar (firmly packed)
2 egg whites
6 tablespoons water
2 teaspoons vanilla extract

Put all ingredients except vanilla extract in top of double boiler. Cook over boiling water 7 minutes, beating constantly with rotary beater. At the end of this time, frosting should hold its shape. If it does not, continue cooking and beating a minute or two longer. Remove from heat; add vanilla extract. Spread between layers and on outside of cake. Garnish with pecan meats.

President Lincoln coined the phrase "Uncle Sam's Web Feet" for the American merchant seamen during the Civil War.

"THIS isn't my picture, but it represents me. I'm your local Packard dealer and I've got two things to say that'll probably interest you a good deal.
"First, folks tell me from all over that this new Packard CLIPPER is the buy of the year! You can't fool Americans about an automobile. When they give a car the boost they've given the Clipper—it's in!
"I'm lucky to have a few Clippers and I'd appreciate it if you'd come by and take a look, or a ride—or both. You'll find a lot of automobile that's making news everywhere in performance and price—the only medium-priced car in America built in the fine-car tradition.
"Here's the other thing: we're celebrating Packard Invitation Month in honor of the new Packard Program—and the factory is awarding 12 new Clippers, 12 new Packards, and a Grand Award of the sensational sports car, the Packard Caribbean!—to people who participate and follow the rules. It's a fine time to come by and let us give you the story."
